REFLECTIONS

TRUE STORY...

At the prodding of my friends I am writing this story. My name is Mildred Honor. I am a former elementary school music teacher from Des Moines, Iowa. I have always supplemented my income by teaching piano lessons... Something I have done for over 30 years. During those years, I found that children have many levels of musical ability, and even though I have never had the prodigy, I have taught some very talented students. However, I have also had my share of what I call "Musically Challenged Pupils".

One such pupil being Robby. Robby was 11 years old when his Mother (a Single Mom) dropped him off for his first piano lesson. I prefer that students (especially boys) begin at an earlier age, which I explained to Robby. But Robby said that it had always been his Mother's Dream to hear him play the piano, so I took him as a student.

At the end of each weekly lesson he would always say 'My Mom's going to hear me play someday.' But to me, it seemed hopeless, he just did not have any inborn ability. I only knew his Mother from a distance as she dropped Robby off or waited in her aged car to pick him up. She always waved and smiled, but never dropped in.

Then one day Robby stopped coming for his lessons. I thought about calling him, but assumed that because of his lack of ability he had decided to pursue something else. I was also glad that he had stopped coming. He was a bad advertisement for my teaching!

Several weeks later I mailed a flyer recital to the students' homes. To my surprise, Robby (who had received a flyer) asked if he could be in the Recital. I told him that the Recital was for current pupils and that because he had dropped out, he really did not qualify. He told me that his Mother had been sick and unable to take him to his piano lessons, but that he had been practicing. 'Please Miss Honor, I've just got to play,' he insisted. I don't know what led me to allow him to play in the Recital – perhaps it was his insistence or maybe something inside of me saying that it would be all right.

The night of the Recital came and the high school gymnasium was packed with parents, relatives and friends. I put Robby last in the program, just before I was to come up and thank all the students and play a finishing piece. I thought that any damage he might do would come at the end of the program and I could always salvage his poor performance through my 'Curtain Closer'.

Well, the Recital went off without a hitch, the students had been practicing and it showed. Then Robby came up on the stage. His clothes were wrinkled and his hair looked as though he had run an egg beater through it. 'Why wasn't he dressed up like the other students?' I thought. 'Why didn't his Mother at least make him comb his hair for this Special Night?' Robby pulled out the piano bench, and I was surprised when he announced that he had chosen to play Mozart's Concerto No. 21 in C Major. I was not prepared for what I heard next. his fingers were light on the keys, they even danced nimbly on the ivories. He went from Pianissimo to Fortissimo, from Allegro to Virtuoso; his

suspended chords that Mozart demands were Magnificent! Never had I heard Mozart played so well by anyone his age.

After six and a half minutes, he ended in a Grand Crescendo, and everyone was on their feet in Wild Applause!! Overcome and in tears, I ran up on stage and put my arms around Robby in joy. "I have never heard you play like that Robby, how did you do it?" Through the microphone Robby explained: 'Well, Miss Honor, remember I told you that my Mom was sick? Well, she actually had cancer and passed away this morning. And well... she was born deaf, so tonight was the first time she had ever heard me play, and I wanted to make it Special.'

There wasn't a dry eye in the house that evening. As people from Social Services led Robby from the stage to be placed in to Foster Care, I noticed that even their eyes were red and puffy. I thought to myself then how much richer my life had been for taking Robby as my pupil.

No, I have never had a Prodigy, but that night I became a Prodigy... of Robby. He was the teacher and I was the pupil, for he had taught me the meaning of perseverance and love and believing in yourself, and may be even taking a chance on someone and you didn't know why.

Robby was killed years later in the Senseless Bombing of the Alfred P. Murray Federal Building in Oklahoma City in April, 1995.

So many seemingly trivial interactions between two people present us with a choice. Do we act with compassion or do we pass up that opportunity.

Thank you for reading this... !! May God Bless You Today, Tomorrow and Always. If God didn't have a Purpose for us, we wouldn't be here!

Pastor's Notes

Make every effort to keep the unity of the Spirit through the bond of peace. ⁴ *There is one body and one Spirit, just as you were called to one hope when you were called;* ⁵ *one Lord, one faith, one baptism.*
Ephesians 4:3-5

A few weeks ago we had a congregational meeting to look at moving ahead with one of two possible building expansion options. Both the north option and the south option did a good job of addressing a number of needs that we have identified as a congregation. The architect had given us a ball park figure of around \$300,000-\$500,000 depending on which option we chose. Prior to the meeting we got more detailed building cost estimates from three contractors based on the preliminary plans developed by the architect. I think both the building coming and the church council were somewhat blown away by the cost projections ranging from slightly under \$400,000 to something less than \$700,000. In addition, the architect had projected the proposed south addition would be less costly than the north addition to build when in reality the south addition estimates were far more expensive than the north addition.

When we presented the cost estimates at the congregational meeting I think members of the congregation were also surprised and a bit confused when the numbers were presented. We had planned to take two votes by secret ballot: the first to move ahead or *not* move ahead on one or the other building options presented; the second vote to move ahead with the north addition *or* the south addition. I think all of us were somewhat overwhelmed by the cost of either option so the first vote was much closer than any of us on the council or building committee had expected. The majority had voted to move ahead but it was not an overwhelming vote of support to move ahead. And because of the closeness of the vote I was deeply concerned that moving ahead with either of the proposals might become a divisive issue for us as a congregation. And I didn't want that to happen so I moved that we table the whole issue to another meeting. I wanted us to *make every effort to keep the unity of the Spirit through the bond of peace* on this issue therefore my motion to table the project to another time.

Unity in a congregation can be a very fragile thing. The Lord has blessed us with a marvelous sense of unity here at St. John's and I didn't want us to risk losing that. No building program is worth losing that sense of unity. I do believe that we have some very real space needs that need to be addressed and I believe that at some point in the near future we can agree on how to meet those needs and do so with a near unanimous agreement on how to do it. And when that day comes we will be able to move ahead with great peace and assurance that God will bless our efforts and provide the financial means to implement those plans. Until that day we are content with expanding our parking lot and doing so in a very cost effective way. I love this congregation and I will do everything in my power as your Pastor to promote a spirit of peace and unity in our congregation as Paul urges us to do in Ephesians chapter 4!

Gene called the church and reported that the Building Fund has a current balance of \$71,502.71 after the transfer of \$8,000 from the general fund. This report was approved as given.

Old Business:

-- Building Investigation Committee: Met with an engineer, discussed the absentee vote, reshaped the overflow parking and are getting quotes with and w/o gravel.

-- 150th Anniversary Planning Committee: Plans are going well. Doing ok with the history of the church; plans are to get a bounce house and inflatable obstacle course; will be selling ornaments as well as pictures; and program is being work on for that day.

-- Congregational meeting 9-27-15 to include: building addition vote, parking lot addition vote, constitution changes and financial policy change.

-- Pam has reviewed the policy book and is hoping to have it organized by the next meeting.

-- Dave has ordered samples of communion cups – both are different from what we have. He will keep looking into.

- Door bolt guard has been installed on the west door and the east door will be getting done soon.
- On 7-26-15 at a special meeting after the service, the council approved another volunteer candidate based on their background check.
- Dave still working on the steeple light and church sign repair.
- Towel dispensers for restrooms are pending.
- Pastor Bob reviewed the Bylaws and did not see any problems.

New Business:

- M/S/A to have Chandler set up two domains for the church for approximately \$25 for both per year. The new website will be stjohnscccc.org and stjohnscccc.com. He volunteered to update as needed.
- The cemetery committee is considering the purchase of a small “shed” or storage container to put ornaments into that need to be removed for lawn mowing. It may be placed behind the granary.
- A quote will be gotten prior to the congregational meeting as to what additional lawn mowing charges would be if the additional parking lot is approved and would be planted into grass.

Task list for August:

- *Review investments* – No changes needed at this time.
- *Update newspaper for winter hours* – Karen
- *Update sign* – Dave

There were two suggestions in the box. 1) We would like to see church service stay at 9:30 and Sunday school at 10:30. It is very noisy and distracting prior to the church service while Sunday school is finishing up their singing. Church at 9:30 would eliminate it. Thank you. *The council discussed and did not take action. It may be something that may want to get brought up at the congregational meeting for discussion.* 2) On Sundays when there are apt to be extra guests due to something special going on besides Easter and Christmas, could we put in parenthesis (debts and debtors) to let the guests know that at St. Johns we say the Lord’s prayer using these words instead of trespassed and trespass. Guests would not be slightly embarrassed by saying it different that the rest. I am glad that we do it the way that we do. *Pastor Bob and the council agreed that we could just make it a part of the bulletin each week.*

Our next meeting will be Wednesday, September 9th @ 7:00.

The meeting was closed with the Lord’s Prayer.

Respectfully submitted,
Pam Martin /Secretary

St John's Special Congregational Meeting Sunday, September 27th, 2015

Following our regular church service, a special congregational meeting was called to order by President of the council, Dave Swift. Pastor Bob opened the meeting with prayer. This meeting was called to vote on the building and parking lot addition, and to discuss constitution and financial policy changes.

The constitution vote was deferred as we needed one half of our membership present which is 65 and there were only 55 present.

Dave explained the following changes relating to the financial policy:

- 1) Proposing a \$5,000 expense limit instead of the current \$3,000 when congregational authorization is required. Insurance payments and the pastor's salary are approaching or hitting the \$3,000 limit.
- 2) Changing the number of people on the audit committee to be consistent to what has been working well.
- 3) Clarification of audit committee's responsibilities.
- 4) Rewording for clarity.
- 5) Adding verification of two signatures when expense limit is met.

Brenda Schaefer made a motion that St. Johns adopts the proposed changes to the financial policy as presented and Randy Knick seconded the motion. The congregation voted and motion was passed.

Discussion was made on the parking lot expansion. It was recommended that the expansion be grass only. With the three bids that came in costs with a gravel lot were \$14,400 to \$34,500. Without gravel they came in at \$2,900 to \$6,500. Costs included site preparation, seeding plus planting. The extra mowing cost would be \$50/mow. A question was asked regarding any additional tiling that would be needed. All the contractors thought there was enough slope and no additional tiling would be needed. A motion was made by Jon Block and seconded by Jerry Block to allow the Council to proceed with getting a 1 acre grass overflow lot made, selecting the most appropriate bids and not to exceed the cost of \$6,000. Congregation approved.

The congregation discussed various topics regarding the addition to St. Johns. The numbers came in around \$250k more for the south addition vs. the north. After a vote was taken and counted, there were 35 yes votes and 20 no votes. Pastor Bob suggested that we hold off on moving ahead until there is a more unanimous vote one way or the other. He did not want the church divided over this project. A motion was made and approved to table the consideration of the building plans until a later date. Discussion was made as to how to get more of the congregation to a meeting so that there would be more input. Absentee ballots are not allowed as per our constitution. The possibility of opening up the sanctuary back into the overflow area was also looked into. It was determined that this could be done but this would also be tabled until a later date. How to make room for Sunday school/Adult Bible study on Sunday mornings needs to be thought of.

A motion was made, seconded and approved to adjourn the meeting.

Respectfully submitted,
Pam Martin, Secretary

The secretary's minutes were approved from the September meeting as well as the minutes from the Congregational meeting on September 27th.

Brian gave the treasurer's report which showed a beginning balance of \$23,066.03 and an ending balance of \$21,860.73. This report was approved as given.

- Designated Funds - \$13,997.10
 - Benevolence - \$3,297.15

Gene reported that after he paid the second half property taxes, the Building Fund has a current balance of \$65,069.71. This report was approved as given.

Old Business:

-- *Building Investigation Committee* – Worked on getting quotes for parking lot. Dave handed out a sheet showing comparisons from two service providers as well as an estimate if members were to provide the labor and purchase grass seed, etc. The council reviewed and a motion was made, seconded and approved to have Mike's Mow and Grow (our current lawn caretaker) drill in the seed and fertilize for a cost of \$1,643.00. Rocks will need to be removed beforehand and the youth group is open to helping if time allows it. The committee is also looking at other alternatives for making/adding additional room for classroom space.

-- *150th Anniversary Planning Committee* – The majority of bills are in and the celebration costs came in under budget. Hats off to everyone for a wonderful celebration!! Brian mentioned that there are still cookbooks and medallions for sale.

-- The council discussed results from the Congregational meeting on September 27th. Being there was not enough members to vote on Constitution changes suggestions were made to have a meeting after a holiday service, include a pot-luck, as well as have the council call their call list as reminders.

-- Pam made several updates to the policy book and should have completed by next meeting.

-- East door bolt guard remains to be done.

-- Lighting repair to the steeple is done but the sign remains.

-- Towel dispensers for restrooms are installed. Thanks Glen and Brenda!!

-- Snow removal bid was received and will remain the same as last year.

New Business:

- M/S/A to receive the following into membership subject to completing the necessary steps – Casey Blackbird, Austin Field, Laura Schaefer, and Holly Wigern.
- Brian will see to it that memorial documentation is updated.
- The statement of faith is not the same in all the hymnals. Celine will see to it that all are the same and coordinate with the Youth Group to help update.
- The CCCC survey will be updated with our website and contact information.

Task list for October:

- *Accept snow removal bid* – done.
- *Check bait stations*
- *Change furnace filter*
- *Adjust clocks & steeple timer* – Needs to be done 11-1-15

There was one suggestion in the box regarding the choir and how they should be placed now that they sing in the front of church. *The council believes that since the first week of singing they are now standing as suggested.*

Our next meeting will be Wednesday, November 11th @ 7:00.

The meeting was closed with the Lord's Prayer.

Respectfully submitted,

Sunday School Happenings

VBS July 26-30th

Sunday School continues; We begin our new year of Sunday School on Sept.20th!

Sunday School will begin at 9:00 a.m. starting Nov. 8th, to start preparing for the Christmas program.

St John's Youth Page

What we've been doing:

- Many of our youth helped with VBS again this summer. It's fun to see them helping the younger kids learn about God!

- In August we had several activities. We went canoeing, kayaking, and wake boarding on the river. We had a picnic in the park and then went to Below Zero.

We spent another afternoon swimming at Swifts pond followed by dinner at Fields house. The campfire and hay ride that was planned turned into games and activities in the basement due to rain. Our last summer activity was a gathering at church to recognize and say farewell to our seniors as they head off to college.

- In September we brainstormed ideas for the upcoming year. We also helped with set up for the 150th anniversary party.
- At our October meeting we decorated new activity bags for the kids to use during church. We also helped with set up for the 150th anniversary party.

Looking Ahead :

- November 4th is our next meeting. We will be packaging shoeboxes for Samaritan's Purse Operation Christmas Child. We hope to do about 30 boxes again this year. If you would like to help out by donating \$ for shipping cost or supplies that would be great! Other items that are needed are toothbrushes, toothpaste, soap, washcloths, individually wrapped candies and gum (no chocolate).
- November 6-8th some of our youth will attend Trout Lake Bible Camp.
- November 11th the Youth Bible Study led by Casey Blackbird will start up again for the year.
- December 2nd we will prepare treats for the shut-ins. Later in December we will fill bags for the Sunday School Christmas Program.
- December 12 (tentative date) we will go to Cash Wise for Operation Shopping Blessings. This will be a time for youth to develop their own relationship with Jesus while spreading the word that God is with us always.
- January 6th regular monthly meeting.

For more information about the youth group contact: Robyn Field at 320-582-0356 or Roxanne Sladek at 320-455-7218. For information about Youth Bible Study you can talk to Casey Blackbird.
