REFLECTIONS

Why go to Church?

I think this is fantastic, I just love the guy's answer, and the interpretation for Bible. Enjoy and pass on.

If you're spiritually alive, you're going to love this!

If you're spiritually dead, you won't want to read it.

If you're spiritually curious, there is still hope!

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday.

He wrote: "I've gone for 30 years now, and in that time I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time, the preachers and priests are wasting theirs by giving sermons at all".

This started a real controversy in the "Letters to the Editor" column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals.

But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today.

Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, God is UP to something!

Faith sees the invisible, believes the incredible & receives the impossible!

Thank God for our physical and our spiritual nourishment!

IF YOU CANNOT SEE GOD IN ALL, YOU CANNOT SEE GOD AT ALL !

B. I. B L. E. simply means: Basic Instructions Before Leaving Earth!

Pastor's Notes

As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received (Ephesians 4:1).

What does Paul say the church should do in the face of the demands of daily living and the needs of those around us? His answer is, *live a life worthy of the calling you have received.*

What does that mean? It means, obey your orders! Take your direction from the Head of the church. Follow the divine strategy laid out in the scriptures, not the obiv shallow counsel of the world around us. The church is not expected to devise its own strategy or to set its own goals'. The church is not an independent organization existing by means of its own strength. The church is more than an organization. The church is an army under the command of a King, and an army that will not obey its leader is useless as a fighting force. The church is a body under the control of its Head, the Lord Jesus Christ. The church is a temple for the exclusive habitation and use of the Savior who dwells within, through His own personal representative, the Holy Spirit. And as those inhabited by and directed by the risen Savior may be careful to be responsive to His leading that how we live may increasingly reflect the life that Jesus lived in His time on earth.

Isn't that an amazing calling and privilege? To live as Jesus lived, now living His life in and through men and women and youth like us! Settle for nothing less than this: *living a life worthy of the calling we have received!*

Congregational Informational Meeting on Possible Building Expansion November 12, 2017

Meeting was opened by Dave Swift. This meeting is a part of the decision process for our church to see if we are ready to make the move of the addition needed. Members of this group that have been working on it for some time are; Andrea Wigern, Doug Block, Brian Alsleben, Dave Swift, Jerry Wright and Dave Huebert.

Use of a manufactured home as an economical approach to add the much needed space for the Sunday School and for other church uses also. While meeting all regulations, customize the structure to best meet the church's needs.

Questions asked by members were:

Joe Blackbird, Septic system; is it still within codes or will it need to be upgraded.

So far we are ok, as far as the county zoning is concerned.

Kari Eischens asked about how well they'd be able to match the siding and roof on the church?

They will not be able to use the same shingles as the church, but they do have ones that will match very close. Siding will be white vinyl and will match the church.

Sue Rose asked how many class rooms we need?

We need 5, and the Youth Bible study can still meet in the church and the adult Bible study will use the church.

Julie Karl asked if it would have it's own heating and cooling?

Yes it will have it's own heating and cooling. Gas line to the church is big enough to handle the additional furnace, they just will tee it off the main line.

Do we need a sprinkler system?

Right now No, but could, change once the building permit is applied for.

Julie Karl asked if there would be a washer and dryer included in it?

No, that would be an extra and was not felt it was so important at this time.

What type of flooring is going to be used?

It will be all vinyl throughout, no carpet.

Other information was:

The inside walls will be insulated with fiberglass insulation to cut down the noise from classrooms.

There will brick looking skirting on it, so it looks like a basement.

Lea Ette asked about if we do this are we going to need more cleaning people and may we have to hire someone?

That is going to be taken to the church council to see what they think should be done.

Some of the teachers and former teachers said it will be so much better to have individual rooms that can be closed off and not so many distractions. Plus being able to have white boards and things that help with the teaching and use of materials that they receive with lesson plans.

This meeting was just for information members wanted to ask questions about the project..

This meeting also was needed so that they could get the building permit going, so this project could be done by next fall if it the members wish to go ahead with this. The building permit will cost \$500.00 Don Padrnos made a motion to give the committee permission to apply for the building permit with the understanding this does not give the project the green light to go ahead and order the addition or do anything further then to get the permit rolling. Jerry Block seconded the motion. Vote was taken, all in favor.

The congregational meeting will take place on Sunday Dec. 3rd to vote as to if we should make the purchase and to put the down payment of \$5,000.00 to get started. We will save money if we can get the down payment on the building before the first of the year. Prices will be going up by January 2018.

Being no further questions meeting was adjourned.

Acting Secretary,
Karen Konerza

Annual Meeting Minutes January 21st, 2018

President Dave Huebert called the meeting to order. Pastor Bob Taylor opened the meeting with prayer.

Clipboards were passed around for those in attendance to sign-up for ushering/custodial/altar guild duties.

- Secretary Pam Martin read the minutes from the 2017 Annual Meeting. The minutes were approved and presented.
- Review of the Annual Reports were given as follows: Glen Schaefer reported on:
 - General Fund**
 - Congregational Direct Giving**
 - Memorial Fund** – (Correction on beginning balance s/b \$3,484.04)
- **Youth Group** report was given by Andrea Wigern.
- **Sunday school** report was given by Brenda Garoutte.
- **Benevolence** report was given by Julie Karl.
- **Building Fund** report was given by Gene Konerza.
- **Women's Guild** report was given by Brenda Schaefer.
- **Membership & Attendance Record** – Karen Konerza
- **Financial Review** report was given by Celine Swift. She stated that the review committee found the financial records for 2017 were accurate and in good order.

Pastor Bob made a motion with Julie Karl seconding to approve all reports as presented. Motion carried.

President Huebert gave a big thanks to Dave Swift for all of his hard work on organizing and putting together the plans for our new expansion. Brian Alsleben presented an update and said that weather permitting, the addition would be completed by the Ice Cream Social! Pastor Bob also gave his gratitude to the Building Committee for their patience and hard work to get this done.

Gene Konerza presented to those in attendance a brief outline on what he, LeaEtte Peters, and Randy Knick have been researching for a lighted digital sign for our church. LeaEtte would like to contribute towards the sign for a memorial for Dale. After contacting several sign companies, the best fit for our needs and also one of the cheaper companies, the total cost would be between \$20/\$25K. Gene wanted to take a ballot vote to see if they should continue to pursue this or not. The Church currently has most of the dollar amount in generous donations that have been given. Discussion was made and a vote was taken. There were 38 votes for and 5 against to have them continue to look into and come back to the Congregation with firm figures.

Pastor Bob left the meeting as the budget/salaries were discussed.

Glen Schaefer explained the operating budget. In order to meet the budget, on average, each family unit will need to contribute about \$1,820.00 total for the year. This equates to about \$35.00 for 52 weeks. He noted that contributions for Benevolence, Building Fund, Cemetery Fund, Youth Group, etc. need to be over and above the \$1,820.00 required to maintain the General Fund. It is understood that some family units cannot give this much while others can give more. The budget included a 5% increase in salary for Pastor Bob. Dave Sanken did a performance review of Pastor Bob with several church members. Based on comments that he received back, everyone was very pleased with Pastor Bob. The council suggested a 5% increase in his salary. Glen reported that the Secretary's salary and Organist's salary would stay the same. Alice Kaufmann made a motion to accept the budget and seconded by LeaEtte Peters. Congregation approved.

Dave Huebert went over the proposed 2018 service times and dates. There were two corrections to be noted. Lenten Services should read (Ash Wed 2/14/18 – Good Friday 3/30/18). The date for the Ice Cream Social should have a date of Thursday, June 14th. Motion made/seconded. Congregation approved.

Sunday School Happenings

Sunday School /Grades 6,7& 8

Our focus this year is the study series “How Majestic is Your Name”. In it we have learned that the in the Bible” God is so great that He uses many names to reveal to us who He is.” While all of us may know a few names of God there are many names that are in the Bible that are not as familiar. But it is in these names that we learn of the character of God. And that character of God is what helps us today. The following is a partial list of the Names of God.

Elohim, Jehovah, Yaweh, I Am, Elohim Kedoshim, El Shaddai, Adonai, Jehovah-Jireh

Our December was very busy preparing for and celebrating the birth of Jesus both with our family and friends. Some of the highlights include having the birthday party for Jesus. Class comments include that the party was “great”, the food was especially liked “our brass band that played good”. Other favorites include lighting of the candles, taking pictures for the program, the play and being together, and seeing family. Hayden got to stay with his grandparents for 4 days and enjoyed” lots of leftovers”.

All of the Sunday School helped to make this year’s program a great success and each one gave their all both this Fall while pictures and during the program itself. Having all of our family and friends together to celebrate made it a very special day.

Blessings to our church family in 2018!
