## REFLECTIONS

### Pancakes

A mother was preparing pancakes for her sons, Kevin, 5, Ryan, 3. The boys began to argue over who would get the first pancake. Their mother saw the opportunity for a moral lesson.

“If Jesus were sitting here, He would say, ‘Let my brother have the first pancake. I can wait.’”

Kevin turned to his younger brother and said, “Ryan, you be Jesus!”

## *Pastor's Report*

*How shall we escape if we ignore so great a salvation? This salvation, which was first announced by the Lord, was confirmed to us by those who heard him. Hebrews 2:3*

Spring is here and so is confirmation season. In churches all over the country, young men and young women will be *confirmed*.

So, what does that mean: *confirmed*? *Confirmed in the faith*? *Confirmed in membership in the church*? It means a lot of different things, depending on your theological background and denomination.

I came to know Christ as Lord and Savior of my life, when I was a senior in high school. When I was in seventh and eighth grade at Hope Presbyterian Church, in Richfield, Minnesota, I attended *Confirmation Classes*. At the end of those two years, I was examined and became a member of the church, confirming the baptismal vows that my parents made when I was a baby.

The only problem was, at that point in time I was not a believer. So, I began to question in my mind, *Why was I a member of Hope Presbyterian Church, when I didn't come to trust in Christ as Lord and Savior of my life until I was almost 18 years old*? Because the process of being educated in what constituted membership in the church was confused with a personal decision to trust in Christ as Lord and Savior of my life. That was the decision in my life that qualified me to be a member of the church. That issue, has troubled me for most all of my life as a believer.

And so, at St. John's upon completing the two years confirmation program does not automatically lead to church membership. That moment in time, should come when each of those students has come to the point in their lives where they make the personal decision to follow Christ as Lord and Master of their lives. Those two events in a person's life rarely come at the same point in time. Confirmation classes, should simply lay the

groundwork for that moment when that young person hears the call of Christ to follow him and he or she response to that call with faith. That is the moment when the baptismal vows taken by parents on behalf of their young children are confirmed in the hearts and minds who have come to trust in Christ as Lord and Savior. That is the point at which church membership is appropriate and meaningful to that individual student.

### **Common Cup Corner**

As many of you know, St. John's is a member church of Common Cup Ministry. CCM pools resources from area churches to help those in need throughout McLeod County. As a member church, we help by collecting needed items, making financial donations, and volunteering to serve in the various outreach programs. Here are some ways we can help CCM right now:

\* Winter Coats - Are you spring cleaning? There is a collection box near the Common Cup table in the sanctuary overflow area. CCM is collecting new/gently used winter coats, snow pants, and boots. Kids' sizes are in highest demand, as well as XL and larger adult coats.

\* Road ready bikes - If you have a bike that is in good shape (ready to ride), preferably adult size (but they can find a home for kids' bikes too), the Wheels of Mercy for Christ the King is collecting now. Please make arrangements with Herb (320-583-5261) and drop the bike(s) off at Christ the King Church in Hutchinson.

\* Volunteer for the Summer Feeding Program in Hutchinson this summer. Volunteers are needed to pack and/or distribute meals on Mondays and Wednesdays from June 9 - August 13.

\* Volunteer to work at Thrift Shop of Common Cup in Glencoe. The store is open Tues, Wed, Thurs and Frid, 11am to 3pm each day. Training is provided.

If you would like more information about volunteering, or if you need help with coat/bike donations, or if you have any other questions about Common Cup Ministry, contact Celine Swift at 320-296-9083.

**Gertens Flower Sales** - WOW! This year our sales increased 65% over last year!. St. John's profit will be over \$2900! Thanks to everyone who sold flowers this year. Special thanks to teams Kaufmann/Karl, Alsleben, and Anderson/Schaefer, and Carrigan who combined account for half of the overall sales. Reminder: flowers are to be picked up at the Swift house on the evening of Tuesday May 4th (unless you turned your order in to another St. John's salesperson, in which case you should make arrangements with that salesperson to get your flowers).

Pastor Bob opened the meeting with prayer and a devotional based on Philippians 2:2-4 *“make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.”* This is a guide to what our relationships should be like.

Brian Alsleben gave the Building Fund report: The Citizen’s Bank balance is: \$ 20,367.71. Vanguard balance is \$ 8128.78.

The financial reports were approved as given.

### **Old Business:**

- Water quality - Brian Alsleben, Joe Blackbird and Dave Huebert met with Tri County, who proposed a new softener and filtration system to address the water smell. Motion/Second/Carried to spend up to \$2500 to install the new system.
- Church property ditch/drainage issues- ongoing. Nothing new to report today.
- Book Shelf – Susie Blackbird presented the vision for a bookshelf in the entry, and her thoughts on how the availability of good quality books can have a big impact on one's Christian journey. The bookshelf would be against the brick wall in the entry, and would be the width from the coatrack to the steps, the height of the wall, and one foot or less deep. Brian Alsleben suggested the bookshelf might be able to be recessed into the wall. M/S/C to approve the general concept of adding the bookshelf, and for Gene Konerza to sketch out the design, opting for the recessed approach if possible. Council will give final approval after the design is complete. The council suggests that the libraries be condensed to this area, and that we not keep the portable bookshelf.

### **New Business:**

- Motion/Second/Carried to accept Bill Shirley as new member.
- Alan Kaufmann and Michael Sanken have each transferred their memberships to the churches they have been attending - Christ the King Lutheran in Hutchinson, and Good Shepherd Lutheran in Glencoe.
- Brian Alsleben was able to locate the source of the slight LP leak in John 3:16 room. He will work with Dave Swift to get it repaired.
- Shingles have been blowing off the roof. Thank you to Dave Swift and Dave Huebert who repaired what they could. Joe Blackbird has left Jon Hahn a message and will keep calling.
- M/S/C to allow Kids' activity bags during services again and for the Children's sermon to resume at the front of the church. The children should remain masked, but social distancing will not be enforced since the amount of time in one area is brief. Celine Swift will update the Covid 19 plan accordingly.
- Celine Swift looked into the black streaks from the printer Karen Konerza uses for bulletins, newsletters, etc., and concluded the problem cannot be repaired. M/S/C to buy a replacement Brother HLL6200DW printer and toner cartridge. The new printer cost is approximately \$220. The replacement cartridges should be significantly cheaper than the one being used now, which should result in reduction of annual operating costs.
- The council discussed how having Easter Service at 9:30am can lead to confusion. The council will discuss at the Annual meeting if the Easter Service should be at 10:30am going forward.
- Added to annual task list that a council volunteer be responsible for overriding thermostats for special meetings/services during Lent. Also, a reminder that the council is responsible for thermostat adjustments for funerals. Directions are in the Resource section of the Policy book.
- The council discussed what our determining factors might be to significantly loosen Covid-19 restrictions at St. John's. The goal would be to allow masks to be removed once congregants are seated socially distanced; removing social distance requirements would come later. But now is not the right time since cases in MN and McLeod county are on the rise again. The cue to loosen restrictions would be when government mandates are lifted and local case rates are low.

### **Task List for the month:**

- Church/Grounds assessment – *pushed out to May*
- Get Burning permit - *Joe*
- Pay 1st half taxes - *Brian*
- Change furnace filters – *Cory*

- Call Foster Mechanical to check A/C 320-587-4003 - *Brian*
- Set-up dehumidifier - *Cory*
- Sunday school teacher recognition - *Pastor Bob will recognize on May 23*
- Altar/Usher/Custodian duty lists – *April/May/June May are covered.*
- Check Suggestion box – *None*
- Test elevator phone – *Done*

Next council meeting date Wednesday, May 12 at 6pm. Council will meet at 5:30pm to do a grounds assessment before the meeting. 6pm start time for Council meetings will continue through the summer.

M/S/C to adjourn the meeting. The meeting was closed with the Lord's Prayer.

Respectfully submitted,  
Celine Swift / Secretary
