REFLECTIONS

GOD & LAWN CARE

GOD to **ST. FRANCIS** :

Frank , You know all about gardens and nature. What in the world is going on down there on the planet? What happened to the dandelions, violets, milkweeds and stuff I started eons ago? I had a perfect no-maintenance garden plan. Those plants grow in any type of soil, withstand drought and multiply with abandon. The nectar from the long-lasting blossoms attracts butterflies, honey bees and flocks of song-birds. I expected to see a vast garden of colors by now. But, all I see are these green rectangles.

St. FRANCIS: It's the tribes that settled there, Lord. The Suburbanites. They started calling your flowers 'weeds' and went to great lengths to kill them and replace them with grass.

GOD: Grass? But, it's so boring. It's not colorful. It doesn't attract butterflies, birds and bees; only grubs and sod worms. It's sensitive to temperatures. Do these Suburbanites really want all that grass growing there?

ST. FRANCIS: Apparently so, Lord. They go to great pains to grow it and keep it green. They begin each spring by fertilizing grass and poisoning any other plant that crops up in what they call the lawn.

GOD: The spring rains and warm weather probably make grass grow really fast. That must make the Suburbanites happy.

ST. FRANCIS: Apparently not, Lord. As soon as it grows a little, they cut it-sometimes twice a week.

GOD: They cut it? Do they then bale it like hay?

ST. FRANCIS: Not exactly, Lord. Most of them rake it up and put it in bags.

GOD: They bag it? Why? Is it a cash crop? Do they sell it?

ST. FRANCIS: No, Sir, just the opposite. They pay to throw it away.

GOD: Now, let me get this straight. They fertilize grass so it will grow. And, when it does grow, they cut it off and pay to throw it away?

ST. FRANCIS: Yes, Sir.

GOD: These Suburbanites must be relieved in the summer when we cut back on the rain and turn up the heat. That surely slows the growth and saves them a lot of work.

ST. FRANCIS: You aren't going to believe this, Lord. When the grass stops growing so fast, they drag out hoses and pay more money to water it, so they can continue to mow it and pay to get rid of it.

GOD: What nonsense. At least they kept some of the trees. That was a sheer stroke of genius, if I do say so myself. The trees grow leaves in the spring to provide beauty and shade in the summer. In the autumn, they fall to the ground and form a natural blanket to keep moisture in the soil and protect the trees and bushes. It's a natural cycle of life.

ST. FRANCIS: You better sit down, Lord. The Suburbanites have drawn a new circle. As soon as the leaves fall, they rake them into great piles and pay to have them hauled away.

GOD: No!? What do they do to protect the shrub and tree roots in the winter to keep the soil moist and loose?

ST. FRANCIS: After throwing away the leaves, they go out and buy something which they call mulch. They haul it home and spread it around in place of the leaves.

GOD: And where do they get this mulch?

ST. FRANCIS: They cut down trees and grind them up to make the mulch.

GOD: Enough! I don't want to think about this anymore. St. Catherine, you're in charge of the arts. What movie have you scheduled for us tonight?

ST. CATHERINE: 'Dumb and Dumber', Lord. It's a story about....

GOD: Never mind, I think I just heard the whole story from St. Francis.

There was a very gracious lady who was mailing an old family Bible to her brother in another part of the country."Is there anything breakable in here?" asked the postal clerk."Only the Ten Commandments." answered the lady.

May 29th Summer Hours begin 9:30 a.m.

Pastor Bob's last Sunday will be June 12th!! There will be a Potluck Dinner for Pastor Bob & Mary following the worship service.

Pastor's Report

5 To the elders among you, I appeal as a fellow elder and a witness of Christ's sufferings who also will share in the glory to be revealed: 2 Be shepherds of God's flock that is under your care, watching over them—not because you must, but because you are willing, as God wants you to be; not pursuing dishonest gain, but eager to serve; 3 not lording it over those entrusted to you, but being examples to the flock. 4 And when the Chief Shepherd appears, you will receive the crown of glory that will never fade away. 1 Peter 5:1-4

It has been my privilege to serve the St. John's Church family for twenty years. These opening verse from 1 Peter chapter 5, outline, my responsibilities as pastor or elder among you.

My calling according to 1 Peter is to be a shepherd of God's flock that has been under my care, watching over you, not because I have to but because that is my calling as a pastor and servant of Christ.

With all my heart I have sought to do that over my time at St. John's. And over that time, it has been my privilege to stand with you in times of difficulty; rejoice with you when things have gone well; faithfully preach and teach the Word of God in your midst, and in all things sought to love you as I love the members of my own family.

My service at St. John's has been much more than simply a job I have been paid to do, it has truly been a labor of love for Christ and for you. Mary and I will always treasure our time with you. I can truly say that you have left an indelible mark of love on our hearts that we will carry with until we die and beyond.

Thank you, for giving me the opportunity to be your servant and shepherd and friend.

With Great Love,

Pastor Bob

Pastor Bob's Retirement

All council members were present.

Joe Blackbird called the meeting to order and led the council in prayer.

Joe called this meeting to discuss what needs to be done as Pastor Bob announced his retirement in Church today.

- Joe will get a hold of the conference (CCCC) to let them know.
- The conference should be able to help out with supply/interim pastors when needed.
- A search committee will need to be formed. To start with, the council felt that it should be five members made up of men, women, and one council person.
- A motion was made and approved to pay Pastor Bob through the end of June the same as he is getting now regardless of when his last day is.
- Discussion was made on the salary of a new pastor. It was felt that a full-time pastor would be what we would be looking for. Suggested amount was 50-70K with benefits.
- The council felt that a retirement party would be a nice way to bless Pastor Bob and Mary. Dates were discussed and June 12th sounded like a good date. Joe will talk to the Women's Guild to see if they would be willing to be in charge of details.
- Cory volunteered to write a letter to be sent out to all of the congregation letting them know of Pastor Bob's retirement and his retirement party. Karen will send it out yet this week.

St John's Cemetery Association Annual Meeting Minutes

January 23, 2022

The annual meeting of St John's Cemetery Association was called to order by Jerome Karl following the church's annual meeting.

Minutes from the 2021 annual meeting were read by David Swift. A motion to accept the minutes as read was made and seconded. The motion was passed with voice vote.

Jerome reported on the financial for 2021. There was some discussion about how CD funds are used. David Huebert suggested that the committee seek out better investments. Following the discussion, a motion was made, seconded and approved by voice vote to accept the financial report.

There was one burial recorded in 2021. It was for Lillian Nemitz.

New business:

1. Jerome explained that the expense of mowing has been exceeding the association's income. He relayed that per the earlier suggestion, better investments may help remedy this issue and suggested that this will be looked into, going forward.
2. Allan Raduenz will perform mowing and spraying again next year at \$235/mow. There was discussion from the congregation supporting that the pricing for the mowing seems fair and that Al's crew does a good job.
3. LeaEtte Peters stated that the mowing crew had informed her that all artificial flowers should be removed from the cemetery by Labor Day to prevent a mess in the fall and spring as they deteriorate. Gene Konerza stated that the plant stands should also be removed at that time. It was agreed that this information would be included in the bulletin and newsletter to get the word out.
4. Jerome stated that both Warren Kaufmann and David Swift are in the midst of their terms, but that his term is complete and a new board member is needed. David Huebert volunteered to be on the board. Pastor Bob also volunteered to be on the board. A motion was made to accept David Huebert onto the board and to have Pastor Bob help as a liaison with the council to help with financial or other issues. The motion was duly seconded and passed with a voice vote.

Sunday School Happenings:

Hunting for goodies for Easter!

Eating foods in remembrance of Jesus

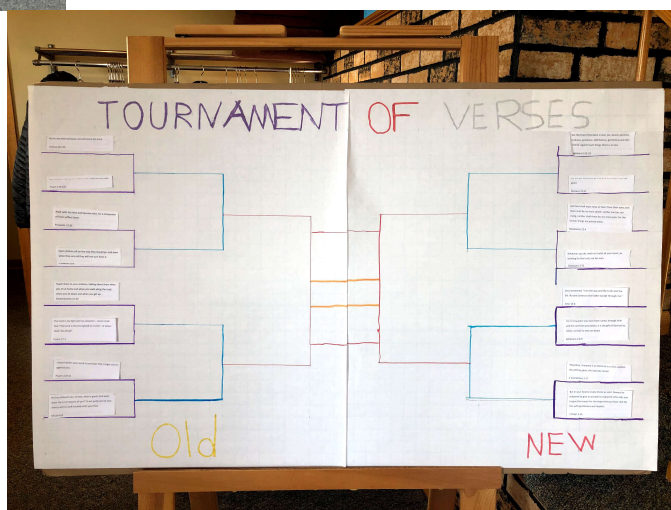

Palms being waved in the beginning of church service

The Sunday School celebrated Palm Sunday by hearing the Easter story while making Resurrection Biscuits. While they were baking we had an Easter egg hunt put on by the Youth group and created a cross by folding paper. When we came back in we discovered that there was nothing left inside the biscuits, just like Jesus was not in the tomb. He had risen! The Sunday School enjoyed marching with Palm branches and singing during the church service, as well.

Vacation Bible School will be July 31-August 3 (Sunday through Wednesday) from 6:00-8:15. The theme this year is "MONUMENTAL...Celebrating God's Greatness." We will go off-road for an adventure through the colorful canyons and sunbaked trails of the southwest and hearing stories about Joseph. By exploring God's Awesomeness, kids will form a rock-solid faith for the road ahead. Everyone is invited to be involved in some way... kitchen, story, skit, group leader, singing, decorating, etc. There will be a planning meeting on Wednesday, May 4 at 6:45. Come and see what it's all about!

Youth Group Happenings:

The Youth Group has been meeting right before confirmation class in the John 3:16 room usually on the first and/or third Wednesdays of each month. Our most recent projects included packing and hiding eggs for the Sunday School egg hunt on Palm Sunday, and developing an activity with the church called a "Tournament of Verses," in which youth group and congregation members voted on a bracket of Bible verses to determine the favorite verse of our church. It has been fun developing new activities and traditions that work for our smaller Youth Group. Next up will be our annual spring flower sale distribution on May 4. Don't forget to pick up your flower orders at Swifts that evening!

The Youth Group would like to thank Pastor Bob and Mary for their many years of guidance and service with our youth. So many youth will never forget those famous and messy relays and games held during a youth group lock-in and Pastor Bob's encouraging words and testimony he has shared with the youth over the years. Your influence is far reaching and our hearts are filled with gratitude. Many thanks!

We are always looking for new ideas for activities and bigger trips and events! We welcome students who will be going into 6th grade and up. Please contact Dawn or Andrea for more information and to get on our email list.

Church Happenings:

Recognizing and praying for newest council member, Elmer Baysinger.

The Gertens Flower Fundraiser Sale is closed. Orders totalled over \$8,000 in sales, with a profit of nearly \$2,300. Thank you to everyone who sold!
